FOR RESORTS & HOTELS

Derbal Technology Co.,Ltd (HK) is a one-stop resort and hotel supply business based in GuangDong China Since establishment in 2010, we have been ensuring that our customers around the world are delivered the latest standard in hotel supply. From manufacturing to customer service, we aim to 'be the expert of hotel integrated services' throughout the operations.

With rich experience high standard products, Our services are trusted by some of the most renowned names in the global hotel industry, including Minor International, Hilton Hotels & Resorts and Soneva Jani. Their clients in Maldives include the recently-opened Le Meridien Maldives Resort & Spa and Patina Maldives Fari Islands, as well as Finolhu Baa Atoll and Niyama Private Islands Maldives.

Our diverse product catalogue ranges from dining porcelain, glassware, catering appliances and room supplies to lobby equipment and outdoor furniture. We offer the latest designs, innovations, superior quality and reasonable value to meet and exceed client expectations. Many products are suitable to the Maldives' unique luxury one resort one island concept, such as fashionable outdoor swings, sun beds and floating trays.

The credit significantly goes to the strong relationships built with the employees and management. We offer training and development opportunities to staff to cultivate high-quality talents for the hotel supplies industry. Full talent and potential can be displayed.

In Derbal, guaranteed quality, superior products, steady supply and comprehensive experience being just some of the key advantages offered by us, we have strong confidence that we will be your best resort and hotel suppliers in China.
